Clear prices, *no surprises*

Start free, then pay for one piece of work at a time. You'll know the price before anything starts. **FIXED** means a published price. **FROM** means a starting price, confirmed in writing after we've looked at the work. **QUOTED** means priced for your project.

AI Readiness Score Free FIXED	A 3-minute online check on the task that costs your business most time. You get a short report with your score, an estimate of the time at stake, and the next step we'd recommend, with its price.	**TERMS** No obligation. Take it at claromai.com.
Discovery call Free 20 minutes	We talk through the task, how it's done today and what good would look like. You'll come away knowing whether it's worth automating and what it would cost.	**TERMS** By phone. Book through claromai.com.
AI Opportunity Assessment £495 FIXED	A 90-minute session reviewing 3 to 5 of your tasks, followed by a branded roadmap report. It ranks the tasks by time at stake, effort and price, maps the top task step by step, and sets out the order we'd tackle them in.	**TERMS** Paid when you book. Report within 5 working days. **The full £495 is credited against any build ordered within 90 days.**
Quick Win build £1,500 FIXED	One AI workflow on one task, set up inside the software you already use and working in about two weeks. Includes testing on your real cases, a person-checks-it step where it matters, a plain-English guide, and 30 days of fixes after sign-off.	**TERMS** 50% to start. **You pay the balance only when you've signed it off as working.**
Larger builds £2,000–£5,000 FROM	**Standard Build, £2,000–£3,500:** a custom mini-app or multi-step workflow with light integration across your CRM, inbox or calendar, plus team training. **Full Workflow Build, £3,500–£5,000:** an end-to-end process rebuild across two or three connected tools, with a staff handover session and 30 days of tuning. Each is scoped after an assessment and fixed in a written proposal before work starts. Complex projects get a paid scoping step first.	**TERMS** Fixed price in the proposal. Paid in stages, with the last payment on sign-off.
Care plans From £150 a month FROM	**Maintain, £150–£300 a month:** monitoring, updates and a monthly check-in call. **Grow, £400–£750 a month:** Maintain, plus one new workflow scoped and built each quarter. **Partner, £900–£1,500 a month:** Grow, plus priority access and a quarterly review of where the time goes.	**TERMS** Optional. Monthly in advance. Cancel with 30 days' notice.

Included in every build

- A fixed price agreed in writing before we start
- Set-up in your own accounts, so you own and control it
- Testing on your real cases before sign-off
- A plain-English guide for your team

Not included

- Your own software subscriptions, and any automation or AI service fees, which are billed to you by the provider. We tell you the expected monthly cost before you commit.
- Replacing your existing systems, or cleaning up large amounts of historic data, unless quoted

Prices exclude VAT at the standard rate. Invoices are payable within 14 days. Any time savings we mention are estimates, not guaranteed results. Each build is covered by a short written proposal and our terms. Claromai is a trading name of Jack Summer Ltd, registered in England and Wales, company number 11859690, VAT number 107094953.
